Mistica

CLINICALLY SHOWN TO OUTPERFORM ITS COMPETITORS, MISTICA DELIVERS POWERFUL RESULTS. YOU WILL LOVE THIS AÇAÍ FRUIT BLEND!

Are you interested in slowing down the aging process?

Scientific data conclusively shows that oxidative stress is a major contributor to most disease processes in the body. Further, an excess of free radical activity in the body results in the breakdown of living tissue and increases the aging process.

Over the past 25 years, science has raced to discover how to impede the natural process of aging and stop this oxidative stress. Clinical data suggests that plant chemicals rich in antioxidants can slow the aging process significantly.

Independent clinical testing shows that Mistica reduces free radical damage by as much as 43%! Experts say this reduction in damage is equivalent to adding 20 years to your life!
