Hi! It was great reconnecting with you. Here is the information I promised to send about **Metabolic LDL**! I am excited for you to take a look at it.

You'll see in the documents I've attached that **Metabolic LDL** is made up of *Citris bergamia Risso* extract and a proprietary blend of powerful antioxidants that support healthy cholesterol levels and oxidation and healthy triglyceride and blood sugar levels.

You'll be interested to know that **Metabolic LDL** was the subject of a clinical study published in the *Canadian Journal of Physiology and Pharmacology*. The following additional reductions were observed in participants with HbA1c levels of 5.4 or higher:

- **27% reduction in triglycerides**
- **19% reduction in oxLDL**
- **25% reduction in LDL/HDL**
- **27% reduction in triglycerides/HDL**
- **25% reduction in oxLDL/HDL**
- **37% reduction in PAI-1**
