

## CLINICALLY-PROVEN PRODUCTS

Discover your health potential with products backed by science

### BODY PRIME

The ultimate magnesium supplement that contributes to normal energy metabolism and electrolyte balance.

**BODY PRIME**

Microbiome Purification & Efficiency

**MADE WITH 30 Capsules**

Body Prime is an effective kick-start to any health regimen. Made with magnesium, prune powder, and apple pectin, this formula has simple ingredients that support cleansing and bowel motility to prime the body for an effective purification program.

**BENEFITS**

- Supports cleansing and bowel motility\*
- Magnesium helps maintain healthy electrolyte balance and reduce fatigue
- Contributes to muscle function including the heart muscle
- Contributes to normal muscle contraction including normal heartbeat

**KEY INGREDIENTS**

- Magnesium: Body Prime contains 400 mg of the powerful, essential macro-mineral Magnesium. To effectively prepare the body for a regimen of healthy habits, magnesium oxide has a priming effect shown in clinical settings to induce mild bowel motility. At the same time, magnesium is a crucial mineral for maintaining a healthy balance of electrolytes, and is an important micro-nutrient in the reduction of fatigue. Additionally, magnesium has been proven to have positive cardiovascular benefits.
- Apple Fruit Extract and Prune Fruit Powder: dried prune powder and apple pectin work synergistically to kick-start a health regimen. Along with magnesium oxide, these familiar fruit sources have been recommended for use in clinical settings to induce bowel motility, which leads to a variety of benefits. These ingredients are approved for daily use.

**RECOMMENDED USE**

Take two capsules one to three times per day. Digestive tracts vary. Begin with fewer capsules and increase as desired to achieve digestive response.

**SCIENTIFICALLY VALIDATED**

Body Prime and its ingredients have been included in a number of studies, including those conducted at the Hughes Center for Research and Innovation. There, the safety and efficacy of escalating doses of Body Prime on maintaining the regularity of healthy bowel function, were explored, thereby setting the recommended dosing parameters. Studies showing that magnesium has a positive cardiovascular benefit\*, is useful in maintaining a healthy electrolyte balance\*, and reduces fatigue\*, are noted as follows:

1. Kautzky-Reman, E. et al. (2015). Magnesium: Novel associations in cardiovascular disease. A review of the literature. *Ann Med* 45: 100-110 (2015).
2. Bhatt, S. et al. (2015). Safety of the administration of health claims related to magnesium and electrolyte balance. *J. Clin. Med.* 4: 100-110 (2015).
3. Bhatt, S. et al. (2015). Safety of the administration of health claims related to magnesium and electrolyte balance. *J. Clin. Med.* 4: 100-110 (2015).
4. Bhatt, S. et al. (2015). Safety of the administration of health claims related to magnesium and electrolyte balance. *J. Clin. Med.* 4: 100-110 (2015).
5. Bhatt, S. et al. (2015). Safety of the administration of health claims related to magnesium and electrolyte balance. *J. Clin. Med.* 4: 100-110 (2015).

Supplement Facts	
Serving Size: 2 Capsules	
	Amount Per Serving
